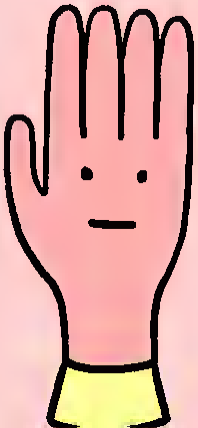
Johand's

guide
to
life

hello
world

I am
Johand



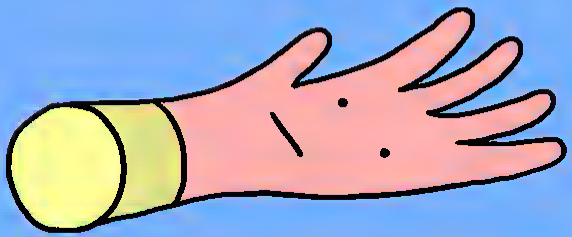
and
this is my
sidekick,
A L E X.

Hands
usually

carry
things

ure also
carried
on
arms

But I am not on an arm



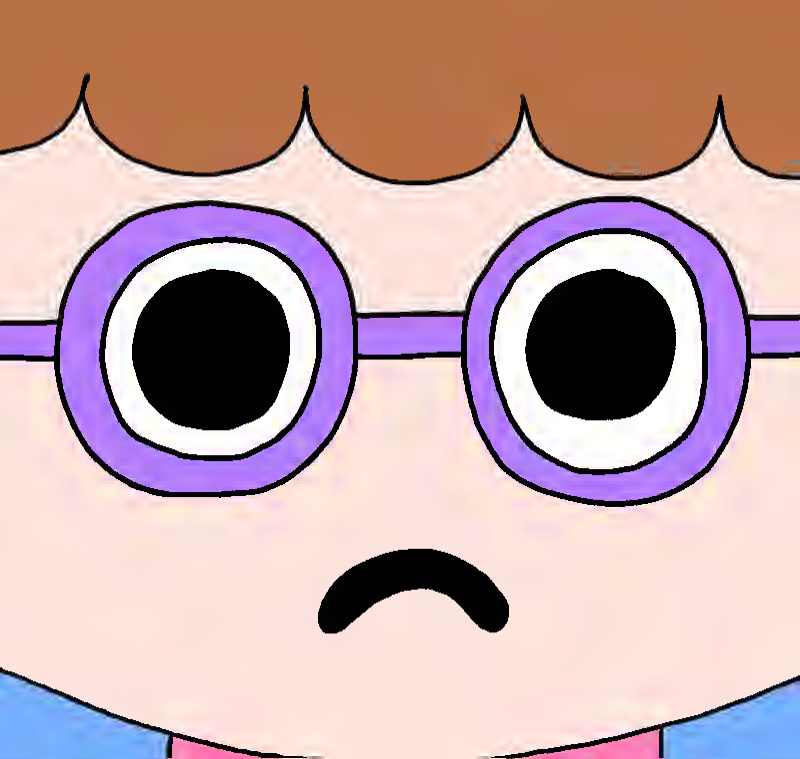
and I cannot carry things.

it is great
Alex carries me everywhere.

He knows he can go ANYWHERE

he is not on an arm

and this causes him massive angst.



maybe
Alex
keeps
me
around

to remind him
to go with

the flow.
